Apprenticed to a Himalayan Master Sri M 2022-11-08 In this tell-all autobiography, Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains. At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. He started working for a living, fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced. This book reveals the spiritual journey of a young lad from Kerala, who by his sincerity and dedication evolved into a living yogi. Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography. Apprenticed to a Himalayan Master will make for an engaging and riveting read for those interested in the life and teachings of Sri M.

Third Class in Indian Railways Mahatma Gandhi 2021-01-01 I have now been in India for over two years and a half after my return from South Africa. Over one quarter of that time I have passed on the Indian trains travelling third class by choice. I have travelled up north as far as Lahore, down south up to Tranquebar, and from Karachi to Calcutta.

The Red Sari Javier Moro 2015 In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his three daughters. Much to his chagrin, his painfully-shy middle daughter, of whom he was especially protective, fell in love with a man belonging the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonias courage, honesty and dedication have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and from her days as a docile daughter-in-law to her current status of being the only Indian politician to

have refused prime ministership.

SPACE. LIFE. MATTER. Hari Pulakkat 2021-04-30 How do you build a scientifically and technologically strong modern nation with limited means and resources? Indian scientists faced this challenge seven decades ago when the country became independent and confronted a world rapidly advancing in science and technology. In the years that followed, they battled poor funding and archaic regulations to build India's science infrastructure from scratch. This fascinating narrative captures the story of the struggles and triumphs of these leaders of science and the world-class institutions they founded. From the cosmic-ray experiments at the Kolar Gold Fields to ISRO's stunning space observatory built under severe constraints, from the construction of one of the world's largest radio telescopes in Ooty to the development of structural biology at IISc and, most recently, the significant contributions of the country's scientific institutions towards tackling a global pandemic - Space. Life. Matter. brings to readers the path-breaking advances made by India's scientists to original research and what they mean to the nation's progress. Deeply informed, enlightening and inspiring, this singular, comprehensive account of the pride of place that Indian science occupies in the world is essential reading for all.

The Book of Krishna Pavan K. Varma 2009-07 Of all Vishnu's avatars, Krishna is regarded as the purna avatar, the complete incarnation, for he encapsulates in himself the entire gamut of emotions and attributes that constitute the ideal human personality. He is the most accessible of gods, and bridges the gap between the mortal and the immortal. In this book, Pavan Varma, the best-selling author of *Krishna: The Playful Divine*, succeeds brilliantly in communicating the exuberance, the charm and the complexity of this popular deity. Drawing upon the Puranas, classical literature, bhakti poetry and folklore, he has painted a rich and varied portrait of the blue god-as the delightfully mischievous child, the uninhibited lover, the formidable warrior, the wise and pragmatic philosopher, and the Supreme God.

Mr and Mrs Jinnah Reddy Sheela 2019-11-20 When Ruttie Petit fled from her father's castle to wed Mohammed Ali Jinnah in 1918, their marriage outraged society at large. They were divided by community, religion and an age gap of twenty-four years. Well-known journalist Sheela Reddy uses never-before-seen personal letters and papers as well as accounts left by contemporaries and friends to portray this unusual relationship with a sympathetic, discerning eye. A product of intensive and meticulous research in Delhi, Bombay and Karachi, Reddy not only brings the solitary, misunderstood Jinnah and the lonely, wistful Ruttie to life, but also the society and politics of the times their story was set in. A must-read for all those interested in politics, history, and the power of an unforgettable love story.

Indo-German Exchanges in Education Martin Kämpchen 2020-07-31 In 1930, when Rabindranath Tagore met Paul and Edith Geheeb in Germany, they formed a fruitful and long-term association resulting in the exchange of ideas and vision. Tagore's Brahmacharya Ashram, founded in 1901 in Shantiniketan, and the Geheeb's Odenwaldschule, established in Germany in 1910 (thereafter the Ecole d'Humanité in Switzerland, established in 1934 after the couple fled

Nazi Germany), emerged from vastly different cultural backgrounds and social exigencies. Yet, they recognized striking similarities between their educational endeavours. The meeting also initiated a close association between India and Germany, with the Geheeb's attracting many Indian intellectuals and Indophile Germans to their schools. This book explores the areas where the lives of the Geheeb's and Tagore, and their respective circles, overlap. Rather than being a biography, a history, or a comprehensive description, this study is a comparison of Tagore and the Geheeb's and their schools. Making use of the repository of unpublished correspondence available at the Ecole's archive, the author studies the Indo-German cultural exchanges in the early twentieth century that were initiated by these three educators and their pedagogical vision.

India's Broken Tryst Tavleen Singh 2016-03-10 An indictment of India's political class by a veteran journalist Seventy years after Nehru's beautiful midnight speech -- 'Long years ago we made a tryst with destiny...' -- in Indian cities and villages millions survive on less than the bare minimum. Children are not in classrooms, women have nowhere safe to relieve themselves, and jobless men lie around in a daze. In cities, where initiative should flourish, a merciless state looms large over every common endeavour. The civilization that was India, that grand culture, has not found utterance again. Long years after freedom from the British, why do we remain suppressed? In *India's Broken Tryst*, bestselling author and popular political columnist Tavleen Singh chronicles the damage done. Here is the story of Surekha, who lives on the pavements of Mumbai's landmark Marine Drive with memories of crushing hunger. Of Ali, the idli seller who is forced out of his honest livelihood by cops and corporators. Of Sahib and Sardar, little boys torn from their mother on the criminal charge of begging. Of those nameless servants who do not have access to toilets even as they service the luxury apartments where Singh lives. From the very poor to the very rich, Tavleen Singh catalogues in bold, eviscerating detail the systematic unmaking of our sense of destiny. Can an Indian dream stretch beyond food and water, literacy, toilets, and in some cases just a document of identification? If not, what destiny?

Penguin Gandhi Reader Rudrangshu Mukherjee 2010-11-03 Mohandas Karamchand Gandhi (1869-1948) was born in Porbander on the western coast of India. His childhood and early upbringing were undistinguished but as an adult he initiated and was involved in a series of novel forms of peaceful protests which established him as one of the most important leaders of the twentieth century and one whose message and relevance transcended national boundaries. This meticulously edited volume culled from the Collected Works of Gandhi contains a representative selection of his writings focusing on themes which were central to Gandhi's philosophy.

There's a Monster Under My Bed 2019

Sacred Animals of India Nanditha Krishna 2014-05-01 Animals are worshipped in India in many ways: as deities—the elephant-god Ganesha and the monkey-god Hanuman; as avatars—like Vishnu's fish, tortoise and boar forms; and as vahanas—the swan, bull, lion and tiger were all vehicles of major deities and are thus sacred by association. Some animals, like the snake, are worshipped out of fear. Birds such as the crow are associated with the abode of the dead, or the

souls of ancestors, while the cow's sanctity may derive from its economic value. There are also hero-animals, such as the vanaras, and animals which were totemic symbols of tribes that were assimilated into Vedic Hinduism. Sacred Animals of India draws on the ancient religious traditions of India—Hinduism, Buddhism and Jainism—to explore the customs and practices that engendered the veneration of animals in India. This book also examines the traditions that gave animals in India protection, and is a reminder of the role of animal species in the earth's biodiversity.

How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

Why Loiter? Shilpa Phadke 2011 Presenting an original take on women's safety in the cities of twenty-first century India, Why Loiter? maps the exclusions and negotiations that women from different classes and communities encounter in the nation's urban public spaces. Basing this book on more than three years of research in Mumbai, Shilpa Phadke, Sameera Khan and Shilpa Ranade argue that though women's access to urban public space has increased, they still do not have an equal claim to public space in the city. And they raise the question: can women's access to public space be viewed in isolation from that of other marginal groups? Going beyond the problem of the real and implied risks associated with women's presence in public, they draw from feminist theory to argue that only by celebrating loitering—a radical act for most Indian women—can a truly equal, global city be created.

Gandhi Sudhir Chandra 2021-09-30 Gandhi was perhaps the most influential yet misunderstood figure of the twentieth century. Drawing close attention to his last years, this book explores the marked change in his understanding of the acceptance of non-violence by Indians. It points to a startling discovery Gandhi made in the years preceding India's Independence and Partition: the struggle for freedom which he had all along believed to be non-violent was in fact not so. He realised that there was a causal relationship between the path of illusory ahimsa, which had held sway during the freedom struggle, and the violence that erupted thereafter during Partition. In the second edition of this much-acclaimed volume, Chandra revisits Gandhi's philosophy to explain how and why the phenomenon of the Mahatma has been understood and misunderstood through the years. Calling for a rethink of the very nature and foundation of modern India, this book throws new light on Gandhian philosophy and its far-reaching implications for the world today. It will interest not only scholars and researchers of modern Indian history, politics and philosophy, but also lay readers.
