Jaws: Memories from Martha's Vineyard Matt Taylor 2012-09-25 The filming of the blockbuster film Jaws is regarded as a landmark event in both the history of motion pictures and the quaint New England island of Martha's Vineyard, where the geographic isolation necessitated the hiring of hundreds of locals to work as actors and laborers. Among this virtual army of hometown participants were numerous professional and amateur photographers, each with full access to the production's inner workings--for the first time ever this compiles their behind-the-scenes photographs and stories into a treasure trove of Jaws rarities. Included are a foreword by director Steven Spielberg, interviews with production designer Joe Alves, screenwriter Carl Gottlieb, location casting director Shari Rhodes, and more, providing an unprecedented all-access pass to the creation of some of the most memorable and terrifying scenes in film history. This unique compendium is the first to focus on the production's local participants, telling their stories at last.

The Making of Swallows and Amazons (1974) Sophie Neville 2017-05-25 In 1973 Sophie Neville was cast as Titty alongside Virginia McKenna, Ronald Fraser and Suzanna Hamilton in the film Swallows & Amazons. Made before the advent of digital technology, the child stars lived out Arthur Ransome's epic adventure in the great outdoors without ever seeing a script. Encouraged by her mother, Sophie Neville kept a diary about her time filming on location in the lakes and mountains of Cumbria. Bouncy and effervescent, extracts from her childhood diary are interspersed among her memories of the cast and crew as well as photographs, maps and newspaper articles, offering a child's eye view of the making of the film from development to premiere - and the aftermath.

The Making of Slap Shot Jonathon Jackson 2010-10-04 How a movie about minor league hockey became a box office hit-and an international cult classic Even thirty-odd years after Slap Shot's release, diehard hockey fans can still recite scenes of dialogue by heart, making lines like "putting on the foil" just common argot for the devoted. Yet many may be surprised to learn that the true story behind the making of the film is as captivating as the film itself. In The Making of Slap Shot, veteran sports writer Jonathon Jackson lets fans not only relive just how the film was made, but brings to light surprising facts (i.e., Al Pacino was the first choice for the role of Reggie Dunlop; almost every scene-even the absurd and unbelievable ones-depicts a real life event). With access to those involved in the making of the film, he brings to life some of the magic behind the creation of memorable scenes and characters, especially the Charlestown Chiefs, one of the most popular fictional sports teams in history. Based on interviews with over 50 cast members, production staff, and anyone of note involved in the film's creation Destined to be a collectible and keepsake (along with the jerseys, bobbleheads, and other paraphernalia associated with the film), The Making of Slapshot is a must for fans eager to learn even more about their favorite film.

Behind the Scenes of They Were Expendable Lou Sabini 2015-05-12 "A fascinating untold story of one of the greatest movie makers and film stars in American history...a great read."--The Washington Book Review "More than a pictorial history. It is a full-on document of an enduring film classic helmed by one of American cinema's most important directors. This pictorial history allows us to visually explore the making of this classic film. In-depth chapters show Sabini's understanding of the film and its place in American cinema's history. One of the most important, interesting, and informative film books of this year. Recommended."--Examiner "Remarkable...we are transported back in time to experience some of the feeling of a major movie shoot... How exciting to discover so much about an important film seventy years after its creation."--Leonard Maltin's Movie Crazy. In 1945 U.S. Navy photographer Nick Scutti found himself in the Florida Keys on the set of the classic World War II drama They Were Expendable, taking candid shots of director John Ford, stars Robert Montgomery and John Wayne and the supporting cast and crew. Scutti's never before published collection of fully captioned photos provides a unique chronicle of the 30-day location shoot, revealing details of the making of the film and in some instances disproving certain statements made by MGM publicity and Ford himself. Brief biographies are included of the stars of the film and of the men the film was based upon.

Hollywood Frame by Frame Karina Longworth 2014-09-16 There is a voyeuristic thrill in contact sheets, the direct prints used by photographers of the pre-digital age

to edit their work. You look directly through the photographer's eyes as each photo gets closer to that perfect shot. And yet, it's often the photos not chosen that best capture the true spirit of their subjects and the life they lead after the director yells cut. This was never truer than in the classic Hollywood era, where behind-the-scenes photos were carefully vetted for marketing purposes and unapproved shots were never expected to be seen again. Hollywood Frame by Frame presents hundreds of never-before-published photos from the sets of some of the greatest films of the twentieth century. Hollywood's biggest stars are caught with their guard down behind the scenes of movie classics from Some Like It Hot and Breakfast at Tiffany's to Taxi Driver and The Silence of the Lambs. A treasure trove for any fan of Hollywood's Golden Age, this rare glimpse of the unseen silver screen will intrigue even movie buffs who think they've seen everything.

The Making of The Magnificent Seven Brian Hannan 2015-04-27 The story behind The Magnificent Seven could have been a movie in itself. It had everything--an actors' strike, a writers' strike, interference by the Mexican government and a row between the screenwriters that resulted in one removing his name from the credits, all under the lingering gloom of post-McCarthy era Hollywood. A flop on release, the film later became a box office hit. This book tells the behind-the-scenes story: how Yul Brynner became the biggest independent producer in Hollywood; why John Sturges was not the first choice after Brynner surrendered the director's chair; why Sturges quit; the truth about the Mirisch Company (producers); the details of the film's botched release and unlikely redemption; the creation of Elmer Bernstein's classic score; and how internequine fighting prevented the making of the television series in 1963. Myths about Steve McQueen, his feud with Brynner and the scene-stealing antics of the cast are debunked. A close examination of the various screenplay drafts and the writers' source material--Akira Kurosawa's Seven Samurai--shows who wrote what. Extensive analysis of Sturges' directorial work is provided.

Waterloo - Making an Epic: The Spectacular Behind-the-scenes Story of a Movie Colossus Simon Lewis 2021-12-22 The amazing history of the 1970 film, *Waterloo*.

The Making of Star Wars J. W. Rinzler 2013 George Lucas spent nearly ten years bringing his dream project to life: a ground-breaking space fantasy movie. It would be a swashbuckling sci-fi saga inspired by vintage Flash Gordon serials, classic American westerns, and mythological heroes. Its original title: *The Star Wars*. The rest is history. Yet its production is a story as entertaining and exciting as the film itself. Now, recounted in the words of those who were there, it is finally being told, for the first time. During the years 1975 to 1978, over fifty interviews were conducted with key members of the cast and crew. Remarkably these interviews have sat, undisturbed, in the Lucasfilm Archives for three decades. Until now. The interviews are fresh, candid and – above all – more accurate than many other reported accounts. George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Anthony Daniels, composer John Williams, legendary production designer John Barry, and a host of others share their fascinating tales of overcoming obstacles – storms, crises, technical limitations, high stress and bitter disappointment – while displaying real ingenuity, heroism and creativity. Using his unprecedented access to the Lucasfilm Archives and this trove of never-before-published 'lost' interviews, photographs, production notes, factoids and anecdotes, J. W. Rinzler hurls readers back in time for a definitive look at the making of *Star Wars*. For the first time, it's all here: * The evolution of the now-classic story and characters – including 'Annikin Starkiller' and a 'huge green-skinned monster with no nose and large gills' named Han Solo * Excerpts from George Lucas's numerous, ever-morphing script drafts * The birth of Industrial Light & Magic, the special-effects company that revolutionised Hollywood film-making * The studio-hopping and budget battles that nearly derailed the entire project * The director's early casting saga * The gruelling, nearly catastrophic location shoot in Tunisia and the following breakneck dash to Elstree Studios in London Lavishly illustrated with hundreds of images spanning the creation of the film, *The Making of Star Wars* is a piece of cinema history. It is the true story of human endeavour and creativity that led to the production of one of the most outstanding and innovative movies of all time.

The mission to rescue a kidnapped scientist turns out to be far more treacherous than expected, leading Bond onto the trail of a mysterious villain armed with dangerous new technology. This lavish coffee table hardback takes readers behind the scenes of the 25th official James Bond film and reveals the locations, characters, gadgets, weapons, and cars of *No Time to Die*, with exclusive on-set photography, concept art, costume designs, stunt breakdowns, and more, accompanied by cast and crew interviews.

Fantastic Mr. Fox Wes Anderson 2009-11-03 Originally published in 1970, Roald Dahl's *Fantastic Mr. Fox* tells the story of the Fox Family. After twelve years, the Fox Family's quiet home life proves too much for Mr. Fox's natural animal instincts. When his young nephew arrives, Mr. Fox slips back into his old ways as a smart bird thief and, in doing so, endangers not only his beloved family, but the whole animal community as well. In Fall 2009, audiences will cheer as award-winning director Wes Anderson (*Rushmore*, *The Royal Tenenbaums*, *The Darjeeling Limited*) brings us his take on the tale: a blockbuster stop-motion animation film shot entirely in high definition. Starring the voice talents of George Clooney (*Michael Clayton*), Meryl Streep (*Doubt*), Bill Murray (*Lost in Translation*), and Jason Schwartzman (*Marie Antoinette*), the movie is sure to please fans of the original story as well as enchant new generations. *Fantastic Mr. Fox: The Making of the Motion Picture* is a family-friendly behind-the-scenes look at the creation of the film. Filled with photos, script pages, storyboards, and interviews with cast and crew, this book is a delightful and intriguing peek at the magic that happens as the filmmakers bring to life one of children's literature's most beloved characters: the outrageous, audacious, *Fantastic Mr. Fox*.

All About All About Eve Sam Staggs 2001-06-23 To millions of fans, *All About Eve* represents all that's witty and wonderful in classic Hollywood movies. Its old-fashioned, larger-than-life stars--including Bette Davis, Marilyn Monroe, Anne Baxter, George Sanders, and Celeste Holm--found their best roles in *Eve* and its sophisticated dialogue has entered the lexicon. But there's much more to know about *All About Eve*. Sam Staggs has written the definitive account of the making of this fascinating movie and its enormous influence on both film and popular culture. Staggs reveals everything about the movie--from who the famous European actress Margo Channing was based on to the hot-blooded romance on-set between Bette Davis and costar Gary Merrill, from the jump-start the movie gave Marilyn Monroe's career and the capstone it put on director Joseph L. Mankiewicz's. *All About "All About Eve"* is not only full of rich detail about the movie, the director, and the stars, but also about the audience who loved it when it came out and adore it to this day.
