*Blood Secret* Kathryn Lasky 2009-08-11 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo

around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about

the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate

not only herself but also future generations of her family from the long chain of suffering and silence.

*Fireweed* Jill Paton Walsh 2013-08-01 A re-issue of a forgotten favourite, FIREWEED is an evocative and unflinching story of wartime survival for younger readers Bill is a fifteen-year-old runaway evacuee, and he's finding that surviving on the streets of London is pretty easy, thank you very much. He's fed by a local cafe owner, he earns some cash as a barrow-boy in Covent Garden, and sleeping in the Underground air-raid shelters is cosy - if a bit smelly. Things get more complicated for Bill with the arrival of Julie. She's a runaway too, and although she's a bit posh, she's just as determined as Bill to stay free of interfering

parents and 'the social'. But although it's fun for a while to duck Jerry missiles and camp out in bombed-out houses, the reality of living through the Blitz quickly begins to set in. Winter is coming, and Bill and Julie will discover that playing at being grown-ups can be a very dangerous game... First published in 1969, and winner of the 1970's Book World Festival Award, FIREWEED evokes a time of tin Spitfires, powdered eggs, warm woollen mittens and reading by firelight. Perfect for readers young and old, this book is a beautifully written classic, full of adventure, heroism and British wartime courage. *Corporate Governance and Responsible Investment in Private Equity* Simon Witney 2021-01-07 Private equity-backed businesses are increasingly prevalent,

and their governance practices are a black box. This book lifts the lid.

**The Islam Quintet** Tariq Ali 2014-01-14 Five nuanced and powerful historical novels depicting the clashes among Muslims, Christians, and Jews from the Crusades to twenty-first-century London. Celebrated British-Pakistani journalist and author Tariq Ali takes a mind-expanding journey through the ages with these five acclaimed works of fiction, available now in one collection. *Shadows of the Pomegranate Tree*: "Ali captures the humanity and splendor of Muslim Spain" in "an enthralling story, unraveled with thrift and verve" (The Independent). For the doomed Moors, the fall of Granada and the approaching forces of

Christendom bring not peace but the sword. The Book of Saladin: After Saladin reclaims the holy city of Jerusalem from the Crusaders, he turns to a Jewish scribe to record his story, which Edward Said calls "a narrative for our time, haunted by distant events and characters who are closer to us than we had dreamed." The Stone Woman: "Ali paints a vivid picture of a fading world," proclaims the New York Times Book Review, as a distant descendant of an exiled Ottoman courtier suffers a stroke in Istanbul, and his family rushes to his side to hear his last stories. A Sultan in Palermo: In "a marvelously paced and boisterously told novel of intrigue, love, insurrection and manipulation," cartographer Muhammad al-Idrisi is caught between his friendship

with King Roger of Sicily and the resentments of his fellow Muslims (The Guardian). Night of the Golden Butterfly: A Lahore-born writer living in London is called back to his homeland by an old friend who, at seventy-five, has finally fallen in love. "If Pakistan is a land of untold stories," writes the New Statesman, Ali is "the country's finest historian and critic." **Where the Salmon Run**  
Trova Heffernan  
2017-05-01 Billy Frank Jr. was an early participant in the fight for tribal fishing rights during the 1960s. Roughed up, belittled, and handcuffed on the riverbank, he emerged as one of the most influential Northwest Indians in modern history. His efforts helped bring about the 1974 ruling by Federal

Judge George H. Boldt affirming Northwest tribal fishing rights and allocating half the harvestable catch to them. Today, he continues to support Indian country and people by working to protect salmon and restore the environment. Where the Salmon Run tells the life story of Billy Frank Jr., from his father's influential tales, through the difficult and contentious days of the Fish Wars, to today. Based on extensive interviews with Billy, his family, close advisors, as well as political allies and former foes, and the holdings of Washington State's cultural institutions, we learn about the man behind the legend, and the people who helped him along the way.

Bookhounds of London

Kenneth Hite 2018-09 An Ennie- and Golden Geek-award-winning supplement for Trail of Cthulhu. These cycles of experience, of course, all stem from that worm-riddled book. I remember when I found it in a dimly lighted place near the black, oily river where the mists always swirl. The Book.

Forbidden Tomes.

Bookhounds of London is a brand new campaign setting for Trail of Cthulhu, packed with period detail, where the Investigators seek out books about horror and strangeness and become, seemingly inevitably, drawn into the horror themselves. It provides in-depth material on London in the 1930s, carefully slanted towards Mythos investigators. An Ancient City. Bookhounds London is a city of cinemas, electric lights, global power and the height of

fashion. Its about the horrors the cancers that lurk in the capital, in the very beating heart of human civilization. A Templar altar might well crouch, mostly forgotten, in the dreary Hackney Marshes, but altars to false gods tower over the metaphorical swamps of Fleet Street and Whitehall. And as for lost, prehuman ruins whos to say what lies under London, if you dig deep enough? Terrible Choices. The PCs arent stalwart G-men or tweedy scholars exploring forbidden frontiers. Instead, they acquire maps (and maybe guidebooks) to those forbidden frontiers from fusty libraries and prestigious auction houses. They are Book-Hounds, looking for profit in mouldy vellum and leather bindings, balancing their own books by finding first

editions for Satanists and would-be sorcerers. They may not quite know what they traffic in, or they may know rather better than their clientele, but needs must when the bills come in. This volume includes: 32 authentic full-colour maps with unique new street index of London in the 1930s, and plans of major buildings. A Mythos take on London in the 1930s, packed with contacts, locations and rumours. New abilities such as Document Analysis, Auction and Forgery, as well as new oc

*Evaluation in Translation* Jeremy Munday  
2012-06-14 In this book, Jeremy Munday presents advances towards a general theory of evaluation in translator decision-

making that will be of high importance to translator and interpreter training and to descriptive translation analysis. By 'evaluation' the author refers to how a translator's subjective stance manifests itself linguistically in a text. In a world where translation and interpreting function as a prism through which opposing personal and political views enter a target culture, it is crucial to investigate how such views are processed and sometimes subjectively altered by the translator. To this end, the book focuses on the translation process (rather than the product) and strives to identify more precisely those points where the translator is most likely to express judgment or evaluation. The translations studied cover a range of

languages (Arabic, Chinese, Dutch, French, German, Indonesian, Italian, Japanese, Russian, Spanish and American Sign Language) accompanied by English glosses to facilitate comprehension by readers. This is key reading for researchers and postgraduates studying translation theory within Translation and Interpreting Studies. *Evergreen: A Guide to Writing with Readings* Susan Fawcett 2016-10-05 With carefully crafted instruction, engaging student models, and plentiful practice exercises, this best-selling text continues to provide the most effective paragraph-essay level writing instruction available. **Organized Crime** Klaus von Lampe 2015-07-16  
Organized Crime: Analyzing Illegal Activities, Criminal Structures, and Extra-legal Governance provides a systematic overview of the processes and structures commonly labeled "organized crime," drawing on the pertinent empirical and theoretical literature primarily from North America, Europe, and

Australia. The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics, rather than particular historical manifestations of organized crime. Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions: (1) illegal activities, (2) patterns of interpersonal relations that are directly or indirectly supporting these illegal activities, and (3) overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society. Within this framework, numerous case studies and topical issues from a variety of countries illustrate meaningful application of the

conceptual and theoretical discussion.

### **Women Writing War**

Katharina von

Hammerstein 2018-08-06

Recent scholarship has broadened definitions of war and shifted from the narrow focus on battles and power struggles to include narratives of the homefront and private sphere. To expand scholarship on textual representations of war means to shed light on the multiple theaters of war, and on the many voices who contributed to, were affected by, and/or critiqued German war efforts. Engaged women writers and artists commented on their nations' imperial and colonial ambitions and the events of the tumultuous beginning of the twentieth century. In an interdisciplinary investigation, this volume explores select female-authored, German-

language texts focusing on German colonial wars and World War I and the discourses that promoted or critiqued their premises. They examine how colonial conflicts contributed to a persistent atmosphere of *Kriegsbegeisterung* (war enthusiasm) that eventually culminated in the outbreak of World War I, or a *Kriegskritik* (criticism of war) that resisted it. The span from German colonialism to World War I brings these explosive periods into relief and challenges readers to think about the intersection of nationalism, violence and gender and about the historical continuities and disruptions that shape such events.

*The Ice Swan* J'nell Ciesielski 2021-07-06 Amid the violent last days of the glittering Russian monarchy, a princess on the run finds her heart where she least expects it. 1917, Petrograd. Fleeing the murderous flames of the Russian Revolution, Princess Svetlana Dalsky hopes to find safety in Paris with her mother and sister. But the city is buckling under the weight of the Great War, and the Bolsheviks will not rest until they have erased every Russian aristocrat from memory. Svetlana and her family are forced into hiding in Paris's underbelly, with little to their name but the jewels they sewed into their corsets before their terrifying escape. Born the second son of a Scottish duke, the only title Wynn MacCallan cares for is that of surgeon. Putting

his talents with a scalpel to good use in the hospitals in Paris, Wynn pushes the boundaries of medical science to give his patients the best care possible. After treating Svetlana for a minor injury, he is pulled into a world of decaying imperial glitter. Intrigued by this mysterious, cold, and beautiful woman, Wynn follows Svetlana to an underground Russian club where drink, dance, and questionable dealings collide on bubbles of vodka. Out of money and options, Svetlana agrees to a marriage of convenience with the handsome and brilliant Wynn, who will protect her and pay off her family's debts. It's the right thing for a good man to do, but Wynn cannot help hoping the marriage will turn into one of true affection. When Wynn's life takes

an unexpected turn, so does Svetlana's—and soon Paris becomes as dangerous as Petrograd. And as the Bolsheviks chase them to Scotland, Wynn and Svetlana begin to wonder if they will ever be able to outrun the love they are beginning to feel for one another. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.
