The Book 2013-04-17 Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit www.thebookbook.co.uk

Stoke City on This Day Richard Murphy 2008-10-01 Stoke City On This Day chronicles, in diary form, the major events in the club's history. With individual entries for every day, and multiple listings for more historic and busier days, the book includes all the club's big matches, promotions, cup runs, significant events, and sensational signings.

Notts County On This Day Tim Evershed 2015-08-01 Notts County On This Day revisits all the most magical and memorable moments from the club's rollercoaster past, mixing in a maelstrom of quirky anecdotes and legendary characters to produce an irresistibly dippable black-and-white diary - with an entry for every day of the year. From founder members of the Football League through to the recent battles for the club's survival, the County faithful have witnessed a record number of promotions and relegations, breathtaking cup runs and Wembley triumphs - all featured here. Timeless greats such as Tommy Lawton, Don Masson and Albert Iremonger, Les Bradd, Tommy Johnson and Jackie Sewell all loom larger than life. Revisit 31 March 1894, when the Magpies became the first Division Two team to win the FA Cup. 2 May 1980: Division One again after an absence of over 50 years! Or 27 May 1990: County's first ever victory at Wembley secured promotion via the play-offs.

The ONE Thing Gary Keller 2013-04-01 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12

book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH – LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

A Logic of Facts, Or, Every-day Reasoning George Jacob Holyoake 1866

Every Day Is a Holiday George Mahood 2014-03-05 "...laugh out loud moments on nearly every page..." "...had me laughing from beginning to end..." "...loved the book - funny and engaging..." "...read it, love it, recommend it..." George Mahood had a nice, easy, comfortable life. He had a job, a house, a wife and kids. But something was missing. He was stuck in a routine of working, changing nappies and cleaning up cat sick. He felt like he was missing out on a lot of what the world had to offer. He then discovered that it was Bubble Wrap Appreciation Day. The day after that was National Curmudgeon Day, and the day after that was Inane Answering Machine Message Day. In fact, the calendar is FULL of these quirky, weird and wonderful events. He realised that somebody somewhere had created these holidays, believing that they were important enough to warrant their own official day. Surely he should therefore be more appreciative of their existence? So he decided to try and celebrate them all. As you do. He hoped that at the end of the challenge he would be transformed into a happier, more intelligent and more content person. Follow George on his hilarious, life changing adventure as he tries to balance his normal life with a wealth of new experiences, people, facts and ridiculous situations. It's a rip-roaring, life-affirming, roller-coaster of a ride, where every day is a holiday.

Eleanor Oliphant is Completely Fine Gail Honeyman 2017-05-18 Over 2.5 million copies sold 'Funny, touching and unpredictable' Jojo Moyes 'Heartwrenching and wonderful' Nina Stibbe Winner of Costa First Novel Award, a No.1 Sunday Times bestseller and the Book of the Year

The World War 2 Trivia Book Bill O'Neill 2017-10-17 The World War 2 Trivia Book is an entertaining, instructive and interesting Trivia & Facts book about the World War 2. Get ready to impress your friends with your knowledge - not just of the main events of World War 2, but of all the gritty details and weird true facts. *Your Special Gift* Carol McCormick 2012-01-09 Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in *Your Special Gift*, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. *Your Special Gift* is well-suited for children in the 8-to-12 year-old range.

Fact of the Day 1 Danny Sheridan 2020-12-22 A look inside the culture of Amazon, one of the most successful companies in the world, and of its relentless, brilliant founder, Jeff Bezos. When Amazon.com launched in 1995, it was with the mission "to be Earth's most customer-centric company." Through creating and sustaining a culture of innovation, the company has proven a track record of building and scaling new businesses. The "Day 1" mentality means that even though Amazon is 26 years old, the company approaches every day like it's the first day of their new startup - to make smart, fast decisions, stay nimble, innovate and invent, and focus on delighting customers. Preparing to interview at Amazon? Curious about Amazon's core principles? Inside this book are 250 bite-sized facts ranging from origin stories about Amazon, Jeff Bezos-isms, frameworks for decision making, emotional intelligence in leadership, applications of artificial intelligence, trends popular among Gen Z, and much more. Facts "tickle the brain" and "are bite-sized yet useful." Whether you read one fact each day or binge all 250 facts in one sitting, *Fact of the Day 1* (1st Edition) will deepen your knowledge about the world we live and operate in. Join 50,000 readers who subscribe to the email list at www.factoftheday1.com

Truth Facts Mikael Wulff 2016-11-08 Welcome to Truth Facts, a collection of information graphics that poke fun at societal quirks and everyday absurdities through charts and graphs. Danish writer Mikael Wulff and cartoon artist Anders Morgenthaler have taken the internet by storm with their humorous and perceptive infographics that turn commonplace phenomena into clever commentary. In distilling keen observations about universal experiences into elegant charts and graphs, Truth Facts gets to the heart of the paradoxical and wonderful world we all share, and puts modern reality into perspective in a funny and visceral way. These simple, colorful graphics explore societal quirks and everyday oddities, such as what happens when you call customer service (anything but service), when banks are open (only when you're at work), the biggest lies on the internet ("LOL"), and much more. Playfully teasing readers even as it explores themes like perception vs. reality, this compendium of life's truest facts prods us to laugh at ourselves, own up to our shortfalls, accept the strangeness of the world we live in, and continue on--happier and more connected to one another than ever before.

Facts Tracey Turner 2017-09-07 Discover a fact for everyone, everyday, in this book. Explore a world of topics, from hilarious animals, to unbelievable-but-true science facts, mind-blowing space stats, to incredible human achievements. You can even look up what extraordinary event happened on your birthday! Did you know that Ancient Romans used wee to whiten their teeth, and to do their laundry' Or have you heard of the parrotfish, which covers itself in a cosy, thick layer of its own slime before it goes to sleep' Why not celebrate New Year's Eve like the Estonians- tuck into seven meals to give you strength for the year ahead. Delicious! It 's most important to know that you should never shake hands with a bushbaby- the animals pee on their paws so that they leave a smelly trail wherever they go. Find out all this and much, much more, with enough facts for even the most curious reader. Also includes seasonal and on this day ' facts for added curiosity and fun, plus a completely random mix of everything else you can imagine. These facts are brought to life with stylish, full colour illustrations from Fatti Burke. Her charmingly beautiful artwork makes this a book to keep coming back to.

The Little Book of Amazing Facts for Kids of All Ages Martin Ellis 2013-11-04
Coventry City on This Day Steve Phelps 2010-08 Coventry City On This Day chronicles, in diary form, the major events in the club's history. With individual entries for every day, and multiple listings for more historic and busier days, the book includes all the club's big matches, promotions, cup runs, significant events and sensational signings.

Every Day David Levithan 2012-09-26 Can you love someone who is destined to change each day? Every morning, A wakes in a different person's body. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. And then A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon.

Formula One on This Day Rob Burnett 2009-08-01 Formula One is the pinnacle of motorsport with the fastest cars and the best drivers in the world. This book charts the glamorous history of the sport from the pre-Championship days of road racing and riding mechanics to Lewis Hamilton's stunning last-lap Championship victory in 2008. The drivers, the cars, and the crashes are all here—a different story for each day of the year.

The Big Book of Science Joel Levy 2018-02-15 The well-known "a bee in a cathedral" analogy describes the size of an atom and its nucleus in understandable terms. The analogy goes that if an atom were expanded to the size of a cathedral, the nucleus would be only about the size of a bee. The Big Book of Science uses analogies to demonstrate 100 basic scientific truths and principles in new and exciting ways, describing the unbelievably massive, the inconceivably tiny and the unfathomably complex in everyday terms. Readers will be drawn to the book by its combination of intuitive reasoning and a highly visual presentation style. It's bursting with facts, figures, diagrams, charts, and illustrations. Each page helps readers understand fundamental scientific principles and theories by using analogies that describe abstract ideas using everyday objects. Each analogy is explained in direct terms and clearly illustrated. A range of facts and figures -- presented in uniquely accessible "infographics" -- complements the analogies. The book covers a wide array of scientific topics: physics, chemistry, astronomy, biology, earth sciences, anatomy and technology. The analogies include: If an atomic nucleus expanded to the size of a marble, it would weigh about 100 million tons, or roughly the equivalent of 16 Great Pyramids of Egypt. It would take a human heart less than 18 days to fill an Olympic-sized swimming pool. The volcanic blast of Mount St. Helens released thermal energy 1,600 times the size of Hiroshima. Krakatoa's 1883 eruption was roughly 13,000 times as powerful as that same bomb. Informative and engaging, The Big Book of Science gives readers a deeper appreciation of the forces and facts that govern the universe and everything in it.

Birmingham City on This Day Tim Evershed 2018-03 Willie Leroy Rosenior - better known as Leroy Rosenior - is a former professional footballer, manager and now media commentator. Leroy's parents were born and raised in Sierra Leone before settling in Britain in the early 1950s and his story cuts across three generations of the Rosenior family. It's the story of an extrovert father who dealt with the racism - both everyday and life-threatening - with wit and charm; of a son who learned that keeping your head down was the best option for a black player in English professional football in the early Eighties when racism was rife; and his son Liam, who has followed his father into football and carved out a successful Premier League career. Laced with humorous anecdotes from Leroy's varied life and career, this book offers a deeply personal insight into the damaging effects of racism in football and in British society as a whole. At a time when football's administrators continue to fumble the ball on issues of discrimination, Leroy draws on his own experience - and that of other high-profile football personalities - to offer practical solutions.

Chelsea on This Day Mike Donovan 2014-04-01 The most memorable moments from the club's distinguished past, together with quirky anecdotes and legendary characters, produce an irresistibly dippable Blues diary with an entry for every day of the year From the club's foundation in 1905, all thanks to an Aberdeen terrier, to their emergence as one of the Premier League's greatest successes, Chelsea's rollercoaster history takes in a period with star players but no opposition, colorful managers, celebrity fans, and the club's sale for £1—all crowned by victory in the UEFA Champions League. Pivotal historic events such as the club's first European win, Roman Abramovich's arrival, and seven victorious FA Cup finals form a backdrop against which Stamford Bridge heroes—Roy Bentley, Dennis Wise, Ruud Gullit, Peter Osgood, John Terry, and Willie Foulke—all loom larger than life.
