Playing to Win Kristen Strassel 2022-05-31 When I lose a game of strip poker, I expect the fun to end at the table. But for the three bear shifters that are my formidable opponents, it’s just the beginning. I didn’t come to The Real Werewives to find a forever mate. I’m hiding from hitmen who think I stole their money. The last thing I can do is star in my own episode. These offensive linemen have decided I’m their mate, and the only way I can stay with the show is to go on a date with each of them. They’ve laid their cards on the table. They want me. Troy—the dapper one. Corey—the downhome one. Steele—the dangerous one. I’m faced with an impossible choice. Choose one of them or keep running. What will happen when they find out who I really am? These bears protect their quarterback every week, but will they protect me when my dangerous past catches up to me in Alaska? This is the wildest game I’ve ever played, and I’m all out of second chances. Good thing my three bears play to win.

The Bear's Chosen Mate Vivian Arend 2019-08-20 The stand alone first title in a brand-new shifter trilogy by New York Times bestselling author Vivian Arend. Get mated—or else! When their meddling, match-making family patriarch lays down the law, Giles Borealis’ three polar bear shifter grandsons agree to follow his edict. Only James, Alex and Cooper each have a vastly different plan in mind to deal with their impending mating fevers. Will any of them be able to fight fate? Spoiler: not likely! First up: James, the youngest of the brothers... He’s going to accept his fate—but only with the woman he chooses! James Borealis figures if he has to get mated, it should be with someone he already knows and cares about—his best friend Kaylee. But when the mating fever hits, she’s still stuck in friendshipland while he’s ready to move all the way to true love and forever. Kaylee has heard about polar bear mating fever, but while James has held the starring role in her fantasies for a long time, she’s not about to leap into a permanent relationship that’s all wrong for him. He’s the PR powerhouse for Borealis Gems while she’s a quiet bobcat shifter with massive family baggage. He loves the spotlight; she wants to hide in quiet corners. But mating fever knows best, and when the storm settles, there’s no use in arguing with a polar bear’s choice. Latter-day Saint Courtship Patterns Mary Jane Woodger 2007 For years, many have observed the notion that there are a number of distinctive differences in the mate-selection process of Latter-day Saints (LDS) and other North Americans. Because of the strongly held values espoused by the Church of Jesus Christ of Latter-day Saints in regard to marriage within the larger picture of American cultural patterns, there are many Mormon sub-cultural differences. Unique LDS culture patterns have been found to be an expression of a young adult LDS Church member's paradigms of life's meanings. This book combines cutting edge scholarly research with items of popular interest analyzing and summarizing data and research already collected. Making commitments is vital to LDS life and affects the mate-selection process. Parental attitudes, values, and interpretations of accepted codes within the Church have developed into traditions that constitute a complex Mormon lore. Therefore, the book's approach is a detailed, comprehensive report of the author's research that uniquely incorporates folklore data. This volume defines the formation of heterosexual relationships culminating in marriage of LDS couples from 1960 to 2005, and compares this pattern to that of other cultural courtships. The study will assist future researchers in their analysis of the family, and have a direct influence on further exploration of what constitutes successful LDS families. Book jacket.

Gain Weight...Lose Your Mate Carl Turner 2011-01-13 Gain WeightLose Your Mate takes a critical and somewhat controversial analysis of the impact that excessive weight gain can have on a relationship. This is a topic that is rarely discussed publicly and only at a minimum between couples etc. The negative impact of excessive weight gain can lead to the breakup of many otherwise happy couples and the tearing apart of families. Gain WeightLose Your Mate brings this discussion from the closet to the living room and opens the door to honest, frank discussions between couples discussions that are long overdue.
