*Body By Simone* Simone De La Rue 2014-04-01 In *Body By Simone*, Simone De La Rue, featured trainer on "Revenge Body with Khloe Kardashian", shares her fitness secrets and teaches women how to achieve an A-list body using her fun and unique strength training and cardio workouts. Considered the "next Tracy Anderson," Simone De La Rue has created a total body workout—a unique fusion of Pilates, bar method, strength training, and cardio dance moves—for women looking to lose weight, tone up, change up their routine, lose baby weight, or exercise while recovering from an injury. Her workouts are fast-paced, fun, and targeted for the muscle groups women most want to tone: arms, abs, glutes, and thighs. Filled with nearly 200 gorgeous color photos, *Body By Simone* features Simone's eight-week plan that incorporates her dance-based cardio workouts and signature strength training moves. Here are workouts for all levels—beginning, intermediate, and advanced—and a self-assessment test to choose the right plan for you. Simone offers a breakdown for each week and a schedule for each day, including an overview of the week's goals and challenges. Each week builds on the next to keep you challenged and engaged, and see the results you want. To boost weight loss and metabolism as well as naturally detox the body, Simone also provides a 7-day kick-start cleanse complete with recipes for simple meals, juices, and smoothies.

*Big Fit Girl* Louise Green 2017-03-18 “Finally—a fitness book for the rest of us! . . . [Big Fit Girl] is sure to usher in a new generation of tough, curvy athletes.” —Jessamyn Stanley, author of *Every Body Yoga* In *Big Fit Girl*, Louise Green describes how the fitness industry fails to meet the needs of plus-size women and thus prevents them from improving their health and fitness. By telling her own story of how she stopped dieting, got off the couch, and unleashed her inner athlete—as well as showcasing similar stories from other women—Green inspires other plus-size women to do the same. Green also provides concrete advice, based on the latest research, about how to get started, how to establish a support team, how to choose an activity, what kind of clothing and gear work best for the plus-size athlete, how to set goals, and how to improve one's relationship with food. And she stresses the importance of paying it forward—for it is only by seeing plus-size women in leadership roles that other plus-size women will be motivated to stop trying to lose weight and get fit instead. “Big Fit Girl impressed me tremendously. Green combines compelling storytelling with practical tips—true to what we know about science—in a unique way that will get you moving.” —Linda Bacon, PhD, scientist, and author of *Health at Every Size* “Inspiring and empowering.” —Taryn Brumfitt, producer and director, founder of the *Body Image Movement* “I'm thrilled to live in a world where *Big Fit Girl* will be part of the health section. Thank you Louise—it's time for every person of every size to have access to this information!” —Jes Baker, *The Militant Baker*

*75 Hard* Andy Frisella 2020-04 Do you lack confidence, grit, endurance, fortitude, self-esteem and all the other things that don't just make someone great, but successful in everything they do?What if you could completely transform yourself into someone who could do anything? I'm not talking about the change that happens for a week or a month or a year...but for your whole life? What would that legitimately and realistically be worth to you?Everybody tries to tell themselves that they are "special" or "great"...but it's just talk. It's not reality.This book tells you how to do that. It doesn't cost anything to execute this program...but it ain't free.I guarantee if you do exactly as I tell you to do it with no compromises and zero substitutions...you and your life will never be the same.-Andy Frisella

*Strong Curves* Bret Contreras 2013-04-02 This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, *Strong Curves* offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In *Strong Curves*, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. *Strong Curves* is the cure.

*Do What Feels Good* Hannah Bronfman 2019-01-08 "Hannah Bronfman is challenging us all to rethink our default standards of beauty and definitions of 'healthy' —and I, for one, couldn't be happier to hear this from another woman of color in the wellness community. Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin." --Gabrielle Union, actress and bestselling author of *We're Going to Need More Wine* As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. As a woman of color who grew up watching a close family member struggle with an eating disorder, Hannah's had to forge her own path and create her own standards of beauty. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In *Do What Feels Good*, Hannah offers real talk about getting in touch with your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. And since delicious food is one of the things that makes everyone feel good, Hannah shares more than 50 of her favorite recipes for healthy hedonism (desserts and cocktails included!). Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real. Because self-care should not feel self-punishing, and every body deserves to feel good.

**Women Sport Fans** Kim Toffoletti 2017-06-26 Women worldwide are making their presence felt as sport fans in rapidly increasing numbers. This book makes a distinctive and innovative contribution to the study of sport fandom by exploring the growing visibility and interest in women who follow sport. It presents the latest data on women's sport spectatorship in different regions of the world, posing new theoretical paradigms to study the globalised nature of female sport fandom. This book goes beyond conventional approaches to analysing the practices of women sport fans. By using a critical feminist perspective to investigate cultural conditions and social contexts (including globalisation, digital networked technologies, consumerism, neoliberalism and postfeminism), it brings into view a diversity of women's voices and experiences as sport fans. It sheds new light on the power dynamics of gender, ethnicity and sexuality influencing women's

participation in sport spectatorship and interrogates the ways female sport fandom is made visible through transnational media networks. Women Sport Fans: Identification, Participation, Representation is fascinating reading for all those interested in sport and gender, the sociology of sport, or women's studies.

**Glute Lab** Bret Contreras 2019-09-17 WALL STREET JOURNAL BEST SELLER IMPROVE YOUR PHYSIQUE, BUILD LEAN MUSCLE, AND INCREASE STRENGTH For more than twenty years, Bret “the Glute Guy” Contreras has been on a quest to improve human performance, focusing his research on the gluteus maximus, the largest muscle in the human body. What started as an effort to improve his own weak, flat backside quickly evolved when he discovered the wide range of functional movements to which the glutes contribute. Properly trained glutes not only help you lift heavier, jump higher, sprint faster, and swing harder but also help prevent knee, hip, and lower back pain and injuries. Bret went on to earn a doctorate in sports science and is now known as one of the world's foremost experts on strength and physique training. After helping thousands of people reach their strength goals and achieve their ideal physique in his world-renowned training facilities, Bret brings you Glute Lab, which pulls his field-tested and scientifically proven methods and techniques together into an all-in-one glute training system that will help you develop leaner, rounder, stronger, higher-performing glutes. This all-encompassing guide explains why glute

training is important for health and performance, how the glutes function, what critical role they play in the body, and how to design the optimal training program to accomplish your aesthetic and performance goals. This book offers thirty-six weeks of programming and several training templates for those who want to dive right in, breaking down each technique with step-by-step photos and descriptions. Bret also reveals the most common faults people make when performing these movements and offers hundreds of tips for getting the most out of every training session. You can implement his system in your local gym or even in the comfort of your own home. Glute Lab is more than just a book on glute training. These principles and methods can help you maximize muscle growth and strength, improve body composition, overcome training and physique plateaus, train around injuries and discomfort, determine ideal training frequency and exercise selection, design periodized programs, and so much more. In short, this book gives you the tools to make strength and physique gains and design balanced programs that cater to a wide range of goals and work for your entire body. Whether you're a regular person looking to improve your appearance, an athlete looking to boost your performance, a physique competitor or bodybuilder looking for an edge over the competition, a powerlifter looking to increase your strength, a CrossFitter inspired to gain knowledge, a personal trainer interested in offering your clients cutting-edge training techniques, or a physical therapist looking to improve your clients' health, Glute Lab will equip you with the information you need. In this book you will learn: The fundamentals of optimal glute training The anatomy and function of the glutes How to select exercises based on your physique and training goals How to perform the most effective exercises for sculpting rounder, stronger glutes Variations of the hip thrust, deadlift, and squat exercises Sample training templates and splits that cater to different training goals and preferences How to implement advanced methods into your training routine Diet strategies to reach weight loss and body composition goals Sample glute burnouts and templates Twelve-week beginner, intermediate, and advanced full-body training programs with a glute emphasis How to design your own customized training programs How to overcome plateaus in training, strength, and physique

**The Year One Challenge for Women** Michael Matthews 2015-01-15 The Official Workout Journal for the Thinner Leaner Stronger Program Is this a workout book that can give you a lean and toned “Hollywood babe body” in 30 days flat? No. Is it a bodybuilding book full of dubious diet and exercise “hacks” and “shortcuts” for gaining lean muscle and melting belly fat faster than a sneeze in a cyclone? Absolutely not. But is it an exercise book that'll show you exactly

how to eat and train to lose up to 35 pounds of fat (or more) and gain eye-catching amounts of muscle definition and strength? Yes. And faster than you probably think possible, or your money back. The Year One Challenge for Women is a workout journal companion to the bestselling fitness book for women, *Thinner Leaner Stronger*. This workout book contains a full year's worth of *Thinner Leaner Stronger* workouts for getting lean, sexy curves and muscle definition in all of the right places on your body . . . in only 3-to-5 hours of resistance training per week. This workout journal also provides you with a comprehensive *Thinner Leaner Stronger* "cheatsheet" that lists and demonstrates all exercises in the program, and explains how to choose the right routine for you, how to progress in your workouts, how to make exercise substitutions, and more. It's backed by a "No Return Necessary" money-back guarantee, too, that works like this: if you're unsatisfied with this workout journal or program for any reason, let the author know, and you'll get a full refund on the spot. So, imagine . . . just 12 weeks from now . . . looking at the changes in your physique and thinking, "I did that. That's awesome. I'm awesome." And believing it. The bottom line is you can get that beautiful "beach-ready" body without doing exhausting strength training workouts you hate. And this exercise book shows you how. Get your copy now, and start your journey to a fitter, leaner, and stronger you.

*Freefall to Fly* Rebekah Lyons 2013-04-09 Women today are fading. In a female culture built on Photoshopped perfection and Pinterest fantasies, we've lost the ability to dream our own big dreams. So busy trying to do it all and have it all, we've missed the life we were really designed for. And we are paying the price. The rise of loneliness, depression, and anxiety among the female population in Western cultures is at an all-time high. Overall, women are two and a half

times more likely to take antidepressants than men. What is it about our culture, the expectations, and our way of life that is breaking women down in unprecedented ways? In this vulnerable memoir of transformation, Rebekah Lyons shares her journey from Atlanta, Georgia, to the heart of Manhattan, where she found herself blindsided by crippling depression and anxiety. Overwhelmed by the pressure to be domestically efficient, professionally astute, and physically attractive, Rebekah finally realized that freedom can come only by facing our greatest fears and fully surrendering to God's call on our lives. This book is an invitation for all women to take that first step toward freedom. For it is only when we free-fall that we can truly fly.

**New Sporting Femininities** Kim Toffoletti 2018-06-25 This edited collection critically explores new and emerging models of female athleticism in an era characterised as postfeminist. It approaches postfeminism through a critical lens to investigate new forms of politics being practised by women in physical activity, sport and online spaces at the intersections of gender, ethnicity, sexuality and ability. *New Sporting Femininities* features chapters on celebrity athletes such as Serena Williams and Ronda Rousey, alongside studies of the online fitspo movement and women's growing participation in activities like roller derby, skateboarding and football. In doing so, it highlights key issues and concerns facing diverse groups of women in a rapidly changing gender-sport landscape. This collection sheds new light on the complex and often contradictory ways that women's athletic participation is promoted, experienced and embodied in the context of postfeminism, commodity feminism and emerging forms of popular feminism.
