Dragon in Chains Daniel Fox 2009-01-27 From award-winning author Daniel Fox comes a ravishingly written epic of revolution and romance set in a world where magic is found in stone and in water, in dragons and in men—and in the chains that bind them. Deposed by a vicious usurper, a young emperor flees with his court to the small island of Taishu. There, with a dwindling army, a manipulative mother, and a resentful population—and his only friend a local fishergirl he takes as a concubine—he prepares for his last stand. In the mountains of Taishu, a young miner finds a huge piece of jade, the potent mineral whose ingestion can gift the emperor with superhuman

attributes. Setting out to deliver the stone to the embattled emperor, Yu Shan finds himself changing into something more than human, something forbidden. Meanwhile, a great dragon lies beneath the strait that separates Taishu from the mainland, bound by chains that must be constantly renewed by the magic of a community of monks. When the monks are slaughtered by a willful pirate captain, a maimed slave assumes the terrible burden of keeping the dragon subdued. If he should fail, if she should rise free, the result will be slaughter on an unimaginable scale. Now the prisoner beneath the sea and the men and women above it will shatter old bonds of loyalty and love and forge a common destiny from the ruins of an empire.

The Dragon of Ynys
Minerva Cerridwen
2020-09-15 Every time something goes missing from the village, Sir Violet makes his way to the dragon's cave and negotiates the item's return. It's annoying, but at least the dragon is polite. But when the dragon hoards a person,

that's a step too far. Sir Violet storms off to the mountainside to escort the baker home, only to find a more complex mystery—a quest that leads him far beyond the cave.

Accompanied by the missing baker's wife and the dragon himself, the dutiful village knight embarks on his greatest adventure yet. The Dragon of Ynys is an inclusive fairy tale for all ages.

The Bone Dragon Alexia Casale 2013-04-30 Evie's shattered ribs have been a secret for the last four years. Now she has found the strength to tell her adoptive parents, and the physical traces of her past are fixed - the only remaining signs a scar on her side and a fragment of bone taken home from the hospital, which her uncle Ben helps her to carve into a dragon as a sign of

her strength. Soon this ivory talisman begins to come to life at night, offering wisdom and encouragement in roaming dreams of smoke and moonlight that come to feel ever more real. As Evie grows stronger there remains one problem her new parents can't fix for her: a revenge that must be taken. And it seems that the Dragon is the one to take it. This subtly unsettling novel is told from the viewpoint of a fourteen-year-old girl damaged by a past she can't talk about, in a hypnotic narrative that, while giving increasing insight, also becomes increasingly unreliable. A blend of psychological thriller and fairy tale, *The Bone Dragon* explores the fragile boundaries between real life and fantasy, and the darkest corners of the human mind.

For the Kingdom of Dragons Julie Wetzel 2018-09-04 It's a dark day for the kingdom of dragons. Kyle Markel, the King of Dragons, is presumed dead when his plane disappears over the cold waters of the Northern Sound. To make matters worse, his sister, Carissa Markel, has been given undeniable proof that Kyle's longtime friend, Daniel Callaghan, has been sabotaging the largest investigation Eternity has ever had. He may have also been

involved with Kyle's disappearance. But all is not what it seems. That's something Angela Lewis discovers when she's awoken in the middle of the night by a strange and violent ceremony. Her quick thinking frees the handsome man tied to the table, but the knife in his chest makes his survival questionable. Unsure who to trust, she finds herself running to the only place the stranger is willing to go—The Dragon's Wing. Can Angela find someone to save him? And without their king, what will become of the kingdom of dragons?
