The Isrā' and Mi'rāj 'Abd-Allah Ḥajjāj 1989

The Life of Muhammad Rizwi Faizer 2013-09-05 Muhammad b. 'Umar al-Waqidi was a Muslim scholar, born in Medina in the 1st Century. Of his several writings the most significant is the Kitab al-Maghazi, one of the earliest standard histories of the life of the Prophet. Translated into English for the first time, Rizwi Faizer makes available this key text to a new, English-speaking audience. It includes an "Introduction" authored jointly by Rizwi Faizer and Andrew Rippin and a carefully prepared index. The book deals with the events of the Prophet's life from the time of his emigration from Mecca to his death, and is generally considered to be biographical. Bringing together events in the Prophet's life with appropriate passages of Qur'an in a considered sequence, the author presents an interpretation of Islam that existed in his times. It includes citations from the Qur'an, as well as poetry that appears to have been inspired by activities during his life. This English translation of a seminal text on the life of Muhammad is an invaluable addition to the existing literature, and will be of great significance to students and scholars in the field of Islamic studies, Islamic history, Medieval history and Arabic literature.

Muhammad Martin Lings 1991 Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' Muhammad: His Life Based to the Earliest Sources is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men

and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

The Core of Islam Sayyid Fadhil Milani 2017-10-24 The aim of this work is to guide Muslims, especially youths, giving clear answers to many commonly asked questions, in order to replace bewilderment with the clarity that comes from profound study of the primary sources of Islamic thought - the Holy Qur'an and ahadith of the Prophet Muhammad (S) and error-free Imams of his progeny. Thus, it examines contemporary issues, fundamentalism, extremism, radicalism, etc., through researched insights into Muslim personality, moral behavior and Islamic teachings of justice and fairness.

Sahih Muslim Hadith Imam Muslim 2017-10-20 Imam Muslim (Muslim ibn al-Hajjaj) was born in 202 AH in Naysabur (817/818CE) and died in 261AH (874/875CE) also in Naysabur. He traveled widely to gather his collection of ahadith (plural of hadith), including to Iraq, Saudi Arabia, Syria and Egypt. Out of 300,000 hadith which he evaluated, approximately 4,000 were extracted for inclusion into his collection based on stringent acceptance criteria. Each report in his collection was checked and the veracity of the chain of reporters was painstakingly established. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is important to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to collect only traditions that all Muslims should agree on about accuracy. It is complete book 2 and book 3 of sahih muslim to guide the readers towards the path of sunnah

Holistic Islam Kabir Helminski 2017-05-16 Islam once gave birth to a great civilization that respected religious diversity, freedom of conscience, and scientific thought, and Islamic knowledge contributed to the birth of humanism in the Renaissance. Today's world is desperately in need of a spirituality that is free of dogma, based in experiences not beliefs, one that can reconcile the human and spiritual realms. In his new book, renowned spiritual teacher and Sufi sheikh Kabir Helminski, gives us a compelling interpretation of spiritual or holistic Islam that will hearten contemporary Muslims looking for a faith suited for our times, and providing non-Muslims a brilliant introduction to this rich spiritual tradition. Helminski's holistic Islam is an emerging force in the world. It is reflected in the rise of the popularity of the writings of Jalal ad-Din Rumi who is loved by followers of all faiths and none. Helminski shows how it is the great Sufi teachers of the Islamic tradition who show the way to this universal wisdom. Holistic Islam is an expression of the primordial religion of humanity that recognizes a journey through levels of consciousness leading to the transformation of self and the mature human being. While all religions have a tendency to decline into sectarianism, legalism, fundamentalism, and superstition, humanity is never without the presence of realized human beings who have shared the knowledge and practice of communion with Ultimate Reality. Holistic Islam is a spiritual antidote to extremism and fundamentalism, established on a clear Quranic basis Holistic Islam uses Quranic arguments to establish a spiritually progressive Islam

Jerusalem and Its Role in Islamic Solidarity Y. Reiter 2008-05-26 The book deals with the role of Jerusalem as a central religious-political symbol, and with the processes by which symbols of faith and sanctity are being employed in a political struggle. It examines the current Islamic ethos towards Jerusalem and the affinity between this religious ethos and the political aspirations of the Palestinians and other Arab and Islamic groups. It also compares current Jewish and Muslim narratives and processes of denial and de-legitimizing the affiliation of the other to the holy city and its sacred shrines and addresses the question whether religious outlook forms a major barrier for achieving peace in the Israeli-Arab arena.

If the Oceans Were Ink Carla Power 2015-04-07 PULITZER PRIZE FINALIST • NATIONAL BOOK AWARD FINALIST • Hailed by The Washington Post as "mandatory reading," and praised by Fareed Zakaria as "intelligent, compassionate, and revealing," a powerful journey to help bridge one of the greatest divides shaping our world today. If the Oceans Were Ink is Carla Power's eye-opening story of how she and her longtime friend Sheikh Mohammad Akram Nadwi found a way to confront ugly stereotypes and persistent misperceptions that were cleaving their communities. Their friendship-between a secular American and a madrasa-trained sheikh-had always seemed unlikely, but now they were

frustrated and bewildered by the battles being fought in their names. Both knew that a close look at the Quran would reveal a faith that preached peace and not mass murder; respect for women and not oppression. And so they embarked on a yearlong journey through the controversial text. A journalist who grew up in the Midwest and the Middle East, Power offers her unique vantage point on the Quran's most provocative verses as she debates with Akram at cafes, family gatherings, and packed lecture halls, conversations filled with both good humor and powerful insights. Their story takes them to madrasas in India and pilgrimage sites in Mecca, as they encounter politicians and jihadis, feminist activists and conservative scholars. Armed with a new understanding of each other's worldviews, Power and Akram offer eye-opening perspectives, destroy long-held myths, and reveal startling connections between worlds that have seemed hopelessly divided for far too long. Praise for *If the Oceans Were Ink* "A vibrant tale of a friendship.... If the Oceans Were Ink is a welcome and nuanced look at Islam [and] goes a long way toward combating the dehumanizing stereotypes of Muslims that are all too common.... If the Oceans Were Ink should be mandatory reading for the 52 percent of Americans who admit to not knowing enough about Muslims."—The Washington Post "For all those who wonder what Islam says about war and peace, men and women, Jews and gentiles, this is the book to read. It is a conversation among well-meaning friends—intelligent, compassionate, and revealing—the kind that needs to be taking place around the world."—Fareed Zakaria, author of *The Post-American World* "Carla Power's intimate portrait of the Quran, told with nuance and great elegance, captures the extraordinary, living debate over the Muslim holy book's very essence. A spirited, compelling read."—Azadeh Moaveni, author of *Lipstick Jihad* "Unique, masterful, and deeply engaging. Carla Power takes the reader on an extraordinary journey in interfaith understanding as she debates and discovers the Quran's message, meaning, and values on peace and violence, gender and veiling, religious pluralism and tolerance."—John L. Esposito, University Professor and Professor of Islamic Studies, Georgetown University, and author of *The Future of Islam* "A thoughtful, provocative, intelligent book."—Diana Abu-Jaber, author of *Birds Of Paradise* and *The Language of Baklava*

And Muhammad Is His Messenger Annemarie Schimmel 2014-06-30

The important role of the Prophet Muhammad in the everyday lives of Muslims is usually overlooked by Western scholars and has consequently never been understood by the Western world. Using original sources in the various Islamic languages, Annemarie Schimmel explains the central place of Muhammad in Muslim life, mystical thought, and poetry. She sees the veneration of Muhammad as having many parallels in other major religions. In order to understand Muslim piety it is necessary to take into account the long history of the veneration of Muhammad. Schimmel discusses aspects of his life, birth, marriage, miracles, and heavenly journey, all of which became subjects for religious devotions. By using poetic texts and artistic expressions and by examining daily Muslim religious practices, Schimmel shows us the gentler side of Islamic religious culture, providing a much-needed understanding of religion as it is experienced and practiced in the Islamic world. This is the first book in English to deal with all aspects of the veneration of the Prophet Muhammad. It is an expanded version of Schimmel's *Und Muhammad Ist Sein Prophet*, originally published in German in 1981.

[Blessed Names and Attributes of Allah](#) Abdur Raheem Kidwai 2016-03-25

"Allah's are the names most beautiful. Whatever is in the heavens and earth extols His glory."—The Qur'an (Al-Hashr 59:24) "Allah has 99 names. He who remembers these will certainly enter Paradise."—Prophet Muhammad (Bukharhi Hadith Kitab Ad-Dawat, 2,949) Remembering the Names of Allah is a sacred tradition in Islam. Both the Qur'an and sayings of the Prophet (Hadiths) state the importance of learning them and promise reward for reciting them in supplications and prayers. This beautiful presentation of Allah's most revered ninety-nine names draws the reader nearer to the Divine through contemplation and reflection of Allah's names, their meaning, and how each impacts our daily lives. They help to conceptualize Allah, Whose limitless greatness and glory is impossible to grasp. Each name is presented in the original Arabic and its translation into English. Accompanying each name is a commentary that is concise and easy to understand but rich in meaning. Abdur Raheem Kidwai (b. 1956) is a professor of English at the Aligarh Muslim University, India, and a visiting fellow at the School of English, University of Leicester, United Kingdom. He earned his two PhDs in English from the Aligarh Muslim University and the University of Leicester. Marvellous Stories from the Life of Muhammad Mardijah Aldrich

Tarantino 1982 A collection of lively, well-loved stories from the life of the Prophet Muhammad. Includes twenty-three charming illustrations of Arabia.

The Prophet's Ascension Christiane J. Gruber 2010 The tales of the mi'raj describe the prophet Muhammad's journey through the heavens, his encounters with prophets and angels, and his visit to heaven and hell. The tales are among Islam's most popular, appearing in Arabic, Persian, and Turkish literature, and in later adaptations throughout the Muslim world. Often serving as narratives designed to promote the worldview of particular Muslim groups, the tales were also a means for communities to construct rules of normative behavior and ritual practices, and were used to assert the superiority of Islam over other religions. The essays in this collection discuss the formation of this narrative, the mi'raj as a missionary text, its various adaptations, its application to esoteric thought, and its use in performance and ritual. -- Book jacket.

Narrating Muhammad's Night Journey Frederick S. Colby

2008-08-06 Discusses the historical development of the well-loved story of the Prophet Muhammad's night journey to the divine realm and back again.

Mi'rajnāma Christiane Gruber 2010 The traditional account of the Prophet Muhammad's ascension has inspired generations of writers and storytellers from the beginnings of Islam until today. By the tenth century, narratives describing Muhammad's encounter with prophets and angels, his colloquy with God, and his visits of heaven and hell lead to the formation of the "Book of Ascension", a novelizing and engaging literary genre most commonly written in Arabic and Turkic dialects. This is the study of an extremely rare Persian "Book of Ascension", which was written in Persian by an anonymous author and dates from the Ilkhanid Period (1256-1353). Christiane Gruber presents an English translation alongside the original manuscript text, together with critical commentary on the text as well as a series of Ilkhanid ascension paintings. The text appears to promote adherence, as well as to encourage conversion, to Sunni Islam - providing a fascinating insight into the interplay between

artistic practices and missionary efforts aimed at promoting Sunni Islam in Persian lands during Ilkhanid rule.

[Dante and Islam](#) Jan M. Ziolkowski 2014-12-01 Dante put Muhammad in one of the lowest circles of Hell. At the same time, the medieval Christian poet placed several Islamic philosophers much more honorably in Limbo. Furthermore, it has long been suggested that for much of the basic framework of the *Divine Comedy* Dante was indebted to apocryphal traditions about a "night journey" taken by Muhammad. Dante scholars have increasingly returned to the question of Islam to explore the often surprising encounters among religious traditions that the Middle Ages afforded. This collection of essays works through what was known of the Qur'an and of Islamic philosophy and science in Dante's day and explores the bases for Dante's images of Muhammad and Ali. It further compels us to look at key instances of engagement among Muslims, Jews, and Christians.

Alawi Al-Maliki 2020-02-15 Shaykh Muhammad 'Alawi al-Maliki delivers

an absorbing account of the Isra' wal-Mi'raj that brings the reader almost into the story. Indeed it is a detailed narrative spiced with a simple commentary that attempts to reconcile various accounts or reports of the event that transpired. This provides a comprehensive reading that takes the reader on an experiential ride to feel the magic of Rasulullah's journey. In short, it is very inspiring; exhilarating to the spiritual core. Praise be to Allah Who chose His praiseworthy servant Muhammad (saw) for the Message, distinguished him with the night journey on the lightning-mount Buraq, and caused him to ascend the ladders of perfection to the high heavens to show him of the greatest signs of his Lord. He raised him until he reached the Lote-tree of the Farthest Boundary where ends the science of every Messenger-Prophet and every Angel Brought Near, where lies the Garden of Retreat, to the point that he heard the sound of the pens that write what has befallen and what is to befall.
