Life is short. No-one knows that better than seventeen-year-old Lenni. But as she is about to learn, it's not only what you make of life that matters, but who you share it with. Dodging doctor's orders, she joins an art class where she bumps into fellow patient Margot, a rebel-hearted eight-three-year-old from the next ward. DOMMISSE 2021-07 A comprehensive work based on personal interviews and insider knowledge - bound to become a classic The past three decades have seen a remarkable rise of Afrikaners in business. With Koos Bekker at its helm, media group Naspers began dominating the Johannesburg Stock Exchange and was turned into a global consumer internet group. Johann Rupert strongly extended Richemont's share internationally in the upper-end market of luxury goods, while Christo Wiese and Whitey Basson at Pepkor and Shoprite became Africa's largest clothing and food retailers. *Fortunes* describes how these and other business leaders, such as Jannie Mouton, Michiel le Roux, Douw Steyn, Roelof Botha, Hendrik du Toit and a number of commercial farmers, built their empires. It looks at their life and business philosophies and what makes them such successful entrepreneurs. Recent years have also seen the sensational collapse of Steinhoff International, the furniture retailer led by Markus Jooste that destroyed some of these fortunes. While Jooste is the topic of one of the chapters, another looks at the philanthropic projects most of these tycoons are involved in.

*The Fifteen Streets* Catherine Cookson 2011-04-12 Catherine Cookson was one of the world's most beloved writers. Her books have sold millions of copies, and her characters and their stories have captured the imaginations of readers around the globe. Now, available for the first time in this country, comes one of Cookson's earliest and most stirring historical romances: *The Fifteen Streets*. John O'Brien lives in a world where surviving is a continual struggle. He works long hours at the docks to help support his parents' large family. Many other families in the Fifteen Streets have already given up and descended into a dismal state of grinding poverty, but the O'Briens continue to strive for a world they are only rarely allowed to glimpse. Then John O'Brien meets Mary Llewellyn, a beautiful young teacher who belongs to that other world. What begins as a casual conversation over tea quickly blossoms into a rare love that should have been perfect. Fate steps in, however, when John is accused of

fathering the child of a local girl, and Mary's parents forbid her to see him. The couple begins to realize that the gulf of the Fifteen Streets between them is a chasm they could never bridge-or might they still find a way? In these pages Catherine Cookson displays the irresistible plotting, scene-setting, and characterization that have made her a recognized master of historical and romance fiction. Fans of her novels, with their larger themes of romantic love and class conflict, will be delighted to find that even at the beginning of her illustrious career, Cookson had the power to captivate audiences. Filled with passion and compelling drama, *The Fifteen Streets* is a rare treat for lovers of romantic fiction.

'A bold and brilliant game of counterfactual history. Evaristo keep[s] her wit and anger at a spicy simmer throughout' Daily Telegraph 'So human and real. Re-imagines past and present with refreshing humour and intelligence' Guardian 'A brilliant satire whose flashes of comedy make the underlying tragedy all the more poignant' Scotland on Sunday

**The Shadowy Third** Julia Parry 2021-02-25 'A fascinating and moving portrait of love, loyalty and infidelity.' Sarah Waters A sudden death in the family delivers Julia Parry a box of love letters. Dusty with age, they reveal an illicit affair between the celebrated Irish novelist, Elizabeth Bowen, and the academic Humphry House - Julia's grandfather. So begins a life-changing quest to discover and understand this affair, one with profound repercussions for Julia's family, not least her grandmother, Madeline. Using fascinating unpublished correspondence, Julia follows the lives of three very different characters through some of the most dramatic decades of the twentieth century: from the rarefied air of Oxford in the 1930s and the Anglo-Irish Big House, to the last days of Empire in India and into the Second World War. The story opens up a lost world, one with complex and often surprising attitudes to love and sex, work and home, duty and ambition, and to writing itself, spiced throughout with social history and a celebrated supporting cast that includes Isaiah Berlin and Virginia Woolf. Inspired by Bowen's own obsession with place and memory, Julia travels to all the locations in the letters - from Kolkata to Cambridge; from Ireland to Texas weaving present-day storytelling with historical narrative and literary exploration. From an assured, elegant new voice, *The Shadowy Third* is a beautifully written investigation of family, love, and the lasting power of literature. Praise for *The Shadowy Third* 'Julia Parry has a fascinating tale to tell, and she does so with a compelling immediacy and also with admirable

finesse. Bowen fans will be in her debt; and those interested in the milieu she frequented.' Peter J. Conradi 'The Shadowy Third is the intimate portrait of a love triangle, with the novelist Elizabeth Bowen as one of the protagonists. It is also a work of discovery, using letters with sensitivity and intelligence, rebuilding a lost world with imaginative flair, seeing Bowen and her world with insight, and the lives of Julia Parry's own grandparents with a sharp eye for detail and a skill at telling a fascinating story.' Colm Tóibín, author of *The Empty Family* 'A vivid picture of an important and immensely gifted writer in love.' Joseph O'Connor 'A compelling story of marriage, passion and betrayal that reads like a richly textured novel. With skill, wit, and empathy, Parry takes readers on a compelling journey to find the truth of her grandfather's love affair with a famous novelist. Gripping, poignant, and fascinating.'
