In his effort to prove murder, Ethan discovers hidden items in his uncle's safe that reveal there was more to Tobias's past than he initially thought: a strange watch that doesn't tell time, a cryptic journal, confusing newspaper clippings from years past, a cipher that points to something ominous, a worn copy of the Rubáiyát of Omar Khayyám, and the mysterious words "Tamám Shud". The more Ethan uncovers, the more he realizes his own life is in danger. And when he stumbles upon a shadow group that tips him off to an impending hostile takeover of the United States, Ethan finds himself in the center of something he can't explain. Lost and Found Sarah Jakes 2014-04-01 Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

Joy Christian Wiman 2017-11-07 One hundred of the most evocative modern poems on joy, selected by an award-winning contemporary poet "Bursting with energy and surprising locutions. . . . Even the most familiar poets seem somehow new within the context of Joy."--David Skeel, Wall Street Journal "Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary."--Adrianna Smith, The Atlantic Christian Wiman, a poet known for his meditations on mortality, has long been fascinated by joy and by its relative absence in modern literature. Why is joy so resistant to language? How has it become so suspect in our times? Manipulated by advertisers, religious leaders, and politicians, joy can seem disquieting, even offensive. How does one speak of joy amid such ubiquitous injustice and suffering in the world? In this revelatory anthology, Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life. Rather than define joy for readers, he wants them to experience it. Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry, he brings together diverse and provocative works as a kind of counter to the old, modernist maxim "light writes white"--no agony, no art. His rich selections awaken us to the essential role joy plays in human life.

Thinking in New Boxes Luc De Brabandere 2013-09-10 When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES —a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps:

- Doubt everything. Challenge your current perspectives.
- Probe the possible. Explore options around you.
- Diverge. Generate many new and exciting ideas, even if they seem absurd.
- Converge. Evaluate and select the ideas that will drive breakthrough results.
- Reevaluate. Relentlessly. No idea is a good idea forever.

And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe's, *Thinking in New Boxes* will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn't a simpleminded checklist. This is *Thinking in New Boxes*. And it will be fun. (We promise.) Praise for *Thinking in New Boxes* “Excellent . . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself.”—Blogcritics “Thinking in New Boxes is a five-step guide that leverages the authors' deep understanding of human nature to enable readers to overcome their limitations and both imagine and create their own futures. This book is a must-read for people living and working in today's competitive environment.”—Ray O. Johnson, Ph.D., chief technology officer, Lockheed

Martin "Thinking In New Boxes discusses what I believe to be one of the fundamental shifts all companies/brands need to be thinking about: how to think creatively, in order to innovate and differentiate our brands. We need to thrive and lead in a world of accelerating change and this book challenges us to even greater creativity in our thinking. One of the best business books I've read in a long time."—Jennifer Fox, CEO, Fairmont Hotels & Resorts "As impressive as teaching new tricks to old dogs, Thinking in New Boxes is both inspirational and practical—a comprehensive, step-by-step guide to sharpening one's wits in order to harness creativity in the workplace."—Peter Gelb, general manager, Metropolitan Opera

Citizen by Choice Rolando Bernui 2021-04-21 This is the autobiography of the journey of an orphaned boy from the Andes mountains of Peru, to the the U.S. A. I spoke Italian, Quechua and Spanish by the age of three. Before my mother passed away when I was seven, we traveled eight days on horseback from the top of the Andes to a small town in the jungle to trade various products grown in the mountains for various products grown in the jungle area. I spent my adolescence in different places with different, loving, family members, and was responsible for my own studies. I survived a devastating avalanche, going over the side of a mountain in a car and nearly drowning three times. I explored many parts of Peru, including the Amazon River Jungle, where I hunted wild boars and alligators, and fished for piranhas, while working for an American Mining Company. I left Peru for the United States, where I attended dental school for the second time, married my wife Betty and joined the U.S. Air Force. I am the father of five children, four living, and fourteen grandchildren.

The Moment of Everything Shelly King 2014-09-02 In the tradition of The Cookbook Collector comes a funny, romantic novel about a young woman finding her calling while saving a used bookstore. Maggie Duprv@s, recently "involuntarily separated from payroll" at a Silicon Valley startup, is whiling away her days in The Dragonfly's Used Books, a Mountain View institution, waiting for the Next Big Thing to come along. When the opportunity arises for her to network at a Bay Area book club, she jumps at the chance—even if it means having to read Lady Chatterley's Lover, a book she hasn't encountered since college, in an evening. But the edition she finds at the bookstore is no Penguin Classics Chatterley-it's an ancient hardcover with notes in the margins between two besotted lovers of long ago. What Maggie finds in her search for the lovers and their fate, and what she learns about herself in the process, will surprise and move readers. Witty and sharp-eyed in its treatment of tech world excesses, but with real warmth at its core, The Moment of Everything is a wonderful read.

Citizen Kane Laura Mulvey 2019-07-25 Citizen Kane's reputation as one of the greatest films of all time is matched only by the accumulation of critical commentary that surrounds it. What more can there be to say about a masterpiece so universally acknowledged? Laura Mulvey, in a fresh and original reading, illuminates the richness of the film, both thematically and stylistically, relating it to Welles's political background and its historical context. In a lucid and perceptive critique she also investigates the psychoanalytic structure that underlies the film's presentation of Kane's biography, for once taking seriously what Orson Welles himself disparagingly referred to as 'dollar-book Freud.' In her foreword to this special edition, published to celebrate the 20th anniversary of the BFI Film Classics series, Laura Mulvey focuses on the film's politics, highlighting the contemporary 'rhymes' in Kane's portrayal of a scandal-prone press baron in a time of economic crisis.

The Dancing Girls of Lahore Louise Brown 2009-10-13 An unforgettable and compassionate look at the lives of the residents of Lahore's pleasure district The Dancing Girls of Lahore inhabit the Diamond District in the shadow of a great mosque. The 21st century goes on outside the walls, this ancient quarter, but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: beloved by sultans, their sophisticated art encompassed the best of Mughal culture. The modern day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are, unclean, and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of one Lahori courtesan. Beautifully understated, it turns a novelist's eye on a true story that beggars the imagination. Maha, at fourteen a classically trained dancer of exquisite grace, had her virginity sold to the Sultan of Dubai; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the Sultan come calling once more.
