"Orbit" is a comic book biography series that focuses on the people that have made a difference in the world.

**The Walrus Was Ringo** Alan Clayson 2003 When it comes to the pub pop quiz, everybody's a Beatles expert, or at least they think they are. But this book reveals that a lot of what has been written is completely untrue.

Esteemed Beatles experts Clayson and Leigh have interviewed thousands of individuals from the Beatles Story, and definitively savage 101 of the most commonly held beliefs, including: Paul's original title for Yesterday was Scrambled Eggs; The Beatles never recorded together after the Abbey Road sessions in 1970; Stuart Stucliffe died after being beaten up by John; Elvis rivals The Beatles for No. 1 hits.

**Popular Singers of the Twentieth Century** Robert H. Cowden 1999 This guide to the biographical literature available on popular 20th-century singers covers nearly 1000 artists. Much of the literature cited is also cross-referenced to major biographical dictionaries, encyclopedias, and relevant periodicals. Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography. The artists included in this volume increasingly cross musical boundaries. The popular singer category, therefore, encompasses Broadway, Hollywood, cabaret, and operetta performers as well as recording artists. Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies. Divided among three sections, citations are arranged alphabetically and include information about literature published through 1997. An appendix of additional artists and an index complete the volume.

**Silver Beatles 1956-1963. La storia dei Beatles... prima dei Beatles**

Marco Crescenzi 2005

**John Lennon** Jeff Burlingame 2010-07-01 "A biography of British-born rock-and-roll legend John Lennon, who lived and died in New York City. This book discusses his early life, rise and fall of the Beatles, personal hardships, and legacy"--Provided by publisher.

**The Beatles as Musicians** Associate Professor of Music in Music Theory Walter Everett 2001 This volume is a comprehensive, chronologically-ordered study of every aspect of the musical life of the Beatles - composition, performance, recording and reception histories - from the group's beginnings in 1956 through to 1965.

**The Beatles** Arthur Davis 1995-07 Collects memorable sayings by and about the "Fab Four" and includes their thoughts on popularity, song writing, touring, and their solo careers

**Cilla: 1943-2015** Douglas Thompson 2014-09-04 'IT WAS A PRIVILEGE TO KNOW AND LOVE HER'- Paul McCartney The news that Cilla Black had died in August at the age of seventy-two triggered an outpouring of love and a wave of sadness that spread around the world. Her infectious personality and her common touch made her one of Britain's best loved entertainers. Known to one generation for a string of number-one hits like Anyone Who Had a Heart and You're My World, and loved by another for hosting the classic ITV show Blind Date, Cilla came a long way from hanging coats in Liverpool's Cavern Club for five bob an hour. In Cilla: 1943 2015, Douglas Thompson traces her rise to the top, her heart-warming marriage to Bobby Willis and the profound effect his death had on her. This affectionate biography is a fitting tribute to our Cilla, a huge talent who became a national treasure.

**The Day John Met Paul** Jim O'Donnell 2006-11-06 With many new photos and an updated introduction, The Day John Met Paul, a critically-acclaimed Beatles book, reappears in a visually stunning second edition. The book is an hour-by-hour account of the fateful day the two founding Beatles met in July 1957. But it is much more than that: it's a spellbinding story of how fate brought together two men who would radically change the face of popular music, from its look and feel to its sound. Jim O'Donnell, a veteran rock music writer, spent eight years researching The Day John Met Paul. Published in 1996 and translated into several

languages, the book was widely praised for its blend of accurate reporting and colorful storytelling. Long out of print, but revered among Beatles fans, the new printing enlivens the text with many well-chosen photos of the Liverpool landmarks--from Strawberry Field to Penny Lane--that played a role in the Beatles' lives and works. The Day John Met Paul chronicles the first "Day in the Life" of the Beatles--a day that changed the musical world.

*The Beatles* Bob Spitz 2012-06-25 The definitive biography of The Beatles, hailed as "irresistible" by the New York Times, "riveting" by the Boston Globe, and "masterful" by Time. As soon as The Beatles became famous, the spin machine began to construct a myth -- one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving -- the highs and the lows, the love and the rivalry, the awe and the jealousy, the drugs, the tears, the thrill, and the magic to never be repeated. In this vast, revelatory, exuberantly acclaimed, and bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited.

*The Beatles through a Glass Onion* Mark Osteen 2019-03-11 The Beatles, the 1968 double LP more commonly known as the White Album, has always been viewed as an oddity in the group's oeuvre. Many have found it to be inconsistent, sprawling, and self-indulgent. *The Beatles through a Glass Onion* is the first-ever scholarly volume to explore this seminal recording at length, bringing together contributions by some of the most eminent scholars of rock music writing today. It marks a reconsideration of this iconic but under-appreciated recording and reaffirms the White Album's significance in the Beatles' career and in rock history. This volume treats the White Album as a whole, with essays scrutinizing it from a wide range of perspectives. These essays place the album within the social and political context of a turbulent historical moment; locate it within the Beatles' lives and careers, taking into consideration the complex personal forces at play during the recording sessions; investigate the musical as well as pharmaceutical influences on the record; reveal how it reflects new developments in the Beatles' songwriting and arranging; revisit the question of its alleged disunity; and finally, track its legacy and the breadth of its influence on later rock, pop, and hip-hop artists. *The Beatles through a Glass Onion* features the scholarship of Adam Bradley, Vincent Benitez, Lori Burns, John Covach, Walter Everett, Michael Frontani, Steve Hamelman, Ian Inglis, John Kimsey, Mark Osteen, Russell Reising, Stephen Valdez, Anthony D. Villa, Kenneth Womack, and Alyssa Woods. John Covach's Afterword summarizes the White Album's lasting impact and value. *The Beatles through a Glass Onion* represents a landmark work of rock music scholarship. It will prove to be an essential and enduring contribution to the field.

*Brian Jones* Alan Clayson 2004-02-02 Brian Jones, the legend and icon, is familiar to generations of rock fans, but the reality of his life has always remained mysterious. Granted godlike status alongside giants like Jim Morrison, Jimi Hendrix, and Janis Joplin, Jones was more than the Stones'

ill-fated pretty boy. Set against the dramatic backdrop of the swingin' sixties, Alan Clayson's biography reveals an extremely talented musician and a surprisingly driven man whose creative energies propelled him to fame even as they prepared him for an early drink and drug-fueled demise. Clayson interviewed many of Jones's family and contemporaries for this in-depth portrait. Clayson examines the many spheres of Brian Jones' life, from assessing his contributions in the crucial early years of The Rolling Stones to the rumors that Jones was murdered by a bodyguard.

*The Beatles Diary Volume 1: The Beatles Years* Barry Miles 2009-10-27 An intimate day-by-day history of all four Beatles from childhood to the break-up of the group. All the concerts...film, TV and radio appearances...interviews, hushed-up scandals, the sex and the drugs...the triumphs and quarrels...and all the Beatles-related births, marriages and deaths. Essential reading for anyone interested in rock's most influential phenomenon of all time.

*The Mammoth Book of the Beatles* Sean Egan 2009-06-09 Over 30 landmark interviews, accounts, and memoirs of The Beatles and their entourage, recording how they inadvertently became counter-culture's figureheads and changed society.

*The Long and Winding Road* Ted Greenwald 1995 The Beatles were not only the most influential rock band of all time, but also one of the most important cultural phenomena of the 20th century. This book provides a firsthand look into the life of this fascinating group, including bios on each Beatle, and annotated discography of the groups' recordings. Abundantly illustrated with full-color and bandw photos of the Fab Four and memorabilia.

*Edgard Varese* Alan Clayson 2002 One of the principal architects of 20th-century thought, Edgard Varese remains the most original and adventurous of modern-day classical composers. Amid the huge leaps forward in the modern sciences taken at the turn of the century, Varese headed the vanguard of intellectual thinking that helped to shape the modern world. With a revered following of such contemporary musical luminaries as Igor Stravinsky, Karlheinz Stockhausen, Charlie Parker and Frank Zappa, he was a key artistic influence in the last century. His most renowned opus, *Ionisation*, was described in the New York Times as a 'terrible and marvellous work', while *Deserts* caused as much uproar at its 1954 premiere as *Le Sacre Du Printemps* had in the same Paris theatre half a century earlier.

*The Beatles* Jeremy Roberts 2011-02-01 As USA TODAY, The Nation's No. 1 Newspaper, puts it, The Beatles have never lost their standing as the world's most influential and popular band. They've sold more records than any act in U.S. history. But in the beginning, few people knew their names. The Beatles John Lennon, Paul McCartney, George Harrison, and Ringo Starr began as an ambitious band out of Liverpool, England, that wanted to play rock n roll music in the American style. Often rejected by

music producers, they honed their sound in the grimy clubs of Hamburg, Germany, and in small venues throughout Britain. In 1962, their single Love Me Do became their first hit, and by 1964 The Beatles were musically on top of the world. The group's look, sound, and musical approach influenced a generation and brought fame beyond the band's wildest dreams. But the stress of their fame and their individual career desires eventually broke up The Beatles in 1970. Yet, the band's popularity remained strong for decades and still shows no sign of waning.

**A Beatles Miscellany** John Van der Kiste 2017-05-14

**The Rolling Stones** Alan Clayson 2008 This breakthrough series looks at great music from a unique vantage point. By considering the recording session itself, rather than the final album, *Legendary Sessions* showcases the creative process and all the elements that go into making music that reflected its time, commented on our society, and influenced our culture. How did these epoch-making sessions come about? What influenced the artists? What was it like to be there as the recording was made? Written by top entertainment journalists, *Legendary Sessions* answers those questions with an involving you-are-there style. What impact did the recording have? Who listened to it? Who imitated it? Who was inspired by it? *Legendary Sessions* looks at those questions, too, with groundbreaking interviews, eyewitness accounts, and contemporary commentary.

Innovative and intriguing, *Legendary Sessions* is sure to change the way music fans listen to the great recordings of our time. After the release of the Rolling Stones's psychedelic album *Their Satanic Majesties Request* in 1967, many feared that the bad boys of rock had sacrificed their raw, bluesy edge to love, peace, and flower power. No need to worry. Salvation was at hand with *Beggars Banquet*, featuring "Sympathy for the Devil" and "Street Fighting Man." The album was a storming return to Satanism, social revolution, and celebrations of the working man. Author Alan Clayson explores the social and cultural developments of the time, the ways that the changing dynamics of the band affected the music, and how the songs took shape. From the latest swinging happenings down on Carnaby Street, to who Mick was sleeping with, to what Keith was taking, *Legendary Sessions: The Rolling Stones: Beggars Banquet* is an entertaining trip through rock history.

**The Beatles on Film** Roland Reiter 2008 This book provides the production history and a contextual interpretation of The Beatles' movies (*A Hard Day's Night*, *Help!*, *Yellow Submarine*, *Let It Be*) and describes their ability to project the group's image at different stages in their career. It also includes a discussion of all of The Beatles' promotional films and videos, as well as their television cartoon series and the self-produced television special *Magical Mystery Tour*. Along with The Beatles' feature movies and promos, this analysis also contains documentaries, such as *The Complete Beatles Anthology*, as well as dramatizations of the band's history, such as *Backbeat*, *The Hours and Times*, and *Two of Us*.

**The Beatles with Lacan** Henry W. Sullivan 1995 The Beatles were the

most significant cultural phenomenon of their time, but "what" exactly did they signify? Using a psychoanalytic approach, "The Beatles with Lacan" attempts to answer this still relevant question. It argues that Beatlemania and the music of Lennon/McCartney highlighted the end of the Modern Age as it had been expressed in the ideals of the Enlightenment. The albums from "Revolver" (1966) to "Abbey Road" (1969) are seen collectively as the first popular post-modern classic of western music, and the Beatles themselves as cultural pioneers of enduring achievement. *People in the News, 1996* David Brownstone 1996-05 Presents clear, up-to-date biographical information on a wide selection of the most newsworthy people in the world.

**You Never Give Me Your Money** Peter Doggett 2010 Music.

**The Quiet One** Alan Clayson 1996 George Harrison's career has been known to have been blighted with drug abuse, religious obsession, marital ructions, and proven artistic plagiarism, but muckrackers would be hard pressed to ravage the reputation of this now distinguished, charitable, and humorous middle-aged musician whose character, unlike those of John, Paul, and Ringo, is hinged on a secure, liberal family background.

**The Beatles Encyclopedia** Bill Harry 2000 The Beatles Encyclopedia is the most comprehensive book on the fab four ever produced. Fully revised and updated, and with over 1500 entries and half-a-million words, this A-Z of Beatle-dom will clarify any query and settle any argument. Every record ever released, every song written and every gig played is included. Yet The Beatles Encyclopedia is much more than a reference book.

Biographies of over 500 people associated with the group reveal stories of love affairs, drugs, court cases and internal disputes. Myths are shattered involving touring days, early girlfriends and rock rivalries. From the Abbey Road studios to the Zodiac Coffee Club, The Beatles Encyclopedia has everything you ever wanted to know about the world's greatest band.

**Ringo Starr** Alan Clayson 1992 Profiles the Beatles' flamboyant stick man beginning in the dingy Liverpool suburb where he was born and traces the emergence of Ringo Starr, one of rock's most visible drummers

**Walkin' Blues-Beatles At The Crossroads** JACKIE LANE 2018-01-18

**Beatle Pete, Time Traveller** Mallory Curley 2005

**The Beatles Movies** Bob Neaverson 1997 The definitive, critical history of the Beatles on film Throughout the sixties, the Beatles were at the heart of the British pop explosion. They have been heralded as the most fundamental cultural force of the decade and as the central innovators of sixties music, fashion, style and social change. Much has been written about the Beatles' contribution to music and pop culture, but until now, one aspect of the group's history has been largely overlooked -- their movies. Between 1964 and 1970, film was central to the Beatles' career, as a means of promoting and disseminating their music, as a source of revenue, and as a way of projecting the group's ever-changing images, attitudes and musical styles. The Beatles Movies is the first critical history of the Beatles' films, and the first to place them within the wider context of

British film history. Extensively researched using historical and contemporary sources including original interviews and previously unseen footage, the book also includes rare pictures from the Apple archive and a full filmography and soundtrack discography. This is a book no fan or student of British cinema should miss. -- The first ever comprehensive study of the Beatles' five feature films -- Includes stunning exclusive photos from the Apple archive

The Beatles Allan Kozinn 1995-10-19 The explosive development of the young musicians who became a phenomenon.

*Lennon And McCartney, Together Alone* John Blaney 2007-03-28

BookWhen the Beatles split in 1970, John Lennon and Paul McCartney each created a new body of work as they defined their individual styles. This book examines their growing confidence and the highs and lows of their careers via a careful and entertaining examination of their every major record release from the 1960s to today. A must for every music student and Beatles fan, with lots of info for collectors (release dates, catalog numbers, credits, etc.). Includes cool photos throughout and a detailed index.

**The Beatles as Musicians** Walter Everett 1999 The Beatles as Musicians is a comprehensive, chronologically ordered study of every aspect of the group's musical life--composition, performance, recording and reception histories--in its transcendent late period, from 1966 to 1970. Richly authoritative interpretations are interwoven through a documentary study of many thousands of audio and other sources.

*Best of the Beatles* Spencer Leigh 2015-04-30 Why was Pete Best sacked from the Beatles? In this unique book, based on extensive research and interviews with those close to the events, Spencer Leigh has gathered the clues together to try and solve the greatest Beatles mystery of all. On 16 August 1962, the Beatles drummer, Pete Best, went to see their manager, Brian Epstein, in his Liverpool office. He thought that Epstein wanted to discuss future bookings with him but instead, Epstein sacked him. Pete had not seen it coming. Why did Brian Epstein do it and not the Beatles themselves? Why did they want to be rid of him? Why did they do it so callously? Pete never spoke to any of them again. Best of the Beatles: The sacking of Pete Best tells you what really happened and is essential reading for Beatles fans.

**The Beatles: Having Read the Book** Greg Sterlace 2017-06-04 The cottage industry of Beatles publications is more prolific now than it ever was. As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music, their love lives, their personalities, and their finances. I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere. I spent 40 years reading about them

knowing that one day I would share my accumulated knowledge with the fans in Pepperland. Having read the book, I'd love to turn you on.

**Teaching the Beatles** Paul O Jenkins 2018-05-30 Teaching the Beatles is designed to provide ideas for instructors who teach the music of the Beatles. Experienced contributors describe varied approaches to effectively convey the group's characteristics and lasting importance. Some of these include: treating the Beatles' lyrics as poetry; their influence on the world of art, film, fashion and spirituality; the group's impact on post-war Britain; political aspects of the Fab Four; Lennon and McCartney's songwriting and musical innovations; the band's use of recording technology; business aspects of the Beatles' career; and insights into teaching the Beatles in an online format.

**Gladsongs and Gatherings** Stephen Wade 2001-01-01 The collection of essays, interviews and poetry compares and contrasts the work of people such as Adrian Henri and Roger McGough with the new crop of Liverpool poets such as Matt Simpson and Deryn Rees-Jones.

'**Every Sound There Is**' Russell Reising 2017-10-03 'Every Sound There Is': Revolver and the Transformation of Rock and Roll assesses and celebrates the Beatles' accomplishment in their 1966 masterpiece. The essays of Every Sound There Is examine Revolver from a large number of complementary starting points that help us to understand both the album's contemporary creation and reception and the ways in which it continues to shape the creation and reception of popular music in the twenty-first century. Responding to the incredible diversity of Revolver, this gathering of international scholars focuses on the Beatles' 1966 album as one of rock and roll history's threshold moments. Bringing to bear approaches from the disciplines of musicology, cultural studies, poetics, gender studies, these essays address matters as diverse as the influence of American R&B on Revolver as well as its influence on Pink Floyd, each Beatles contributions to the album, the musicological significance of the Beatles' harmonies and chord progressions, its status and coherence as a work of art, the technological and marketing significance of Revolver's recording and distribution, and its influence on the development of rock music.

The Encyclopedia of Popular Music Colin Larkin 2011-05-27 This text presents a comprehensive and up-to-date reference work on popular music, from the early 20th century to the present day.

Nilsson Alyn Shipton 2013-08-08 In this first ever full-length biography of Harry Nilsson, author Alyn Shipton traces the musician's life from his Brooklyn childhood to his Los Angeles adolescence, and charts his gradual move into the spotlight as a talented songwriter.

Ringo Michael Seth Starr 2016-09-01 RINGO: WITH A LITTLE HELP
